MEET LUCY

Hi, I'm LUCY, the owner & principal photographer of Big Little Dreams Photography. I just want to start by saying hugest congratulations on your new journey; I'm so excited for you! I love a love story & a happy ending; being able to share in the love of my couples and their families makes me feel blessed as I get to work with such wonderful people & would be honoured to capture your memories!

My clients aren't just clients; they become fast friends who know I'm there every step of the way!

Based out of Biggleswade, Bedfordshire, I am passionate about capturing timeless moments to be cherished for lifetimes. There isn't a day that goes by that I don't have my camera.

I think it's so important to know your photographer so here's some things to know about me

-I'm easy going & chatty, & love to get to know my couples & families.

-I am married to the wonderful Tony & we have 2 fur babies Freddie & Harry who are as contrasting in personality as they are in colour.

-I love to bake in my spare time...I mean who doesn't love cake?! As well as seeing friends, I love to go for walks, drink a soya chai latte & walk through the leaves in Autumn.

I'D BE HAPPY TO PUT TOGETHER A CUSTOM COLLECTION.

THINK ABOUT WHAT'S IMPORTANT TO YOU; WHAT DETAILS DO YOU WANT CAPTURED? A FAVOURATE BABYGROW OR AN OUTFIT A LOVED ONE HAS SENT FOR INSTANCE. PHOTOGRAPHS MAKE GREAT KEEPSAKES FOR YEARS TO COME. OUR TIME TOGETHER WILL GO BY QUICKLY, SO REMEMBER TO RELAX AND ENJOY THE MOMENT!

HELPFUL TIPS:

Details help tell the story and are often in some of the photos couples & families' favorite images to include in albums & prints.

Neutrals, Whites or matching colours are good to create harmony within your images. Try not to have colours that will exaggerate skin tones such as bright orange, or overly patterned pieces that can detract.

Moisturise before you come and avoid a patchy fake tan.

Remember to relax & to get in the photographs. You may not feel 100% but you don't want to miss out on capturing this time. And most importantly remember to be yourselves; you're amazing!

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: My relaxed, vibrant & natural documentary style sets me apart! I know how to pose & guide couples & families to make them feel relaxed while looking their very best. I am also an experienced teacher which comes in handy. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

My couples & families become friends who know I will go above & beyond for them to have timeless memories to look back on!

Q: Will we get a gallery or UBS stick?

A: You will get an online gallery with the ability to share photos with friends & the chance to purchase thank yous, prints, etc from the shop. A USB can also be purchased

Q: Can we have two photographers on the day of our party?

A: If you're interested in a second shooter I can definitely arrange one for you. A second shooter is an additional cost of £200-£500. Be rest assured that I am your main photographer on the day though!

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each couple/family to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game!

Q: How many photos will I get?

A: To maintain the quality of my work you will receive 10 photos as a minimum depending on the package; however there is an opportunity to purchase more to be received. Please note that seasonal mini sessions will receive 5 photos with an option to purchase more

Q: Will you Photoshop my images to hide any unwanted spots etc?

A: Minor edits will be made to your images as well as fitting my style. but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these will be charged accordingly, depending on the type of corrections.

I HAVE ANSWERS

Q: Do you travel for shoots?

A: Yes of course! The first 10 miles from SG18 are covered, then mileage is applied. If an over night stay is required then every endeavour to find the cheapest night's stay before being applied. We can talk through your details, including a destination shoot!

Q: Can I order prints through you?

A: I don't know about you but I love a good physical photo! I highly recommend ordering prints through the shop due to the high professional quality of them, but there is no pressure to. The difference in quality is huge when it comes to ordering through a professional lab, so I encourage couples to invest in high quality prints to cherish. Canvases, cards, prints & albums can all be purchased through the shop.

Q: How long will it be before we get our photos?

A: I always aim to get your photos to you within 2-4 weeks; however in busy seasons this may take a little longer due to not wanting to compromise on the quality & the amount of editing that is going on. I will of course let you know if galleries will take a little longer.

Q: Do you photograph parties or events?

A: Yes! I LOVE parties & events such as Christenings. They are major moments you want to look back on & cherish for lifetimes!

Q: Can we have you for a short time for an event?

A: Definitely! I have a 2 hour coverage collection of £295, which covers the event & some photos after. If you have something different in mind then we can tailor make a bespoke collection for you so don't worry!

Q: We'd love to book you, how do we reserve our shoot date?

A: AMAZING! I can't wait to get to know you! A 30% booking fee & signed contract is required in order to get your shoot on the calendar. The remainder of your balance is due two weeks prior to your shoot.

A pregnant woman is shown from the side, wearing a grey long-sleeved top and grey leggings. She is gently holding her pregnant belly with both hands. The background is a light-colored wooden plank wall. A semi-transparent grey box is overlaid on the left side of the image, containing a quote and the name 'ANDREA'.

"OH MY GOODNESS I ABSOLUTELY
LOVE THE PHOTOS. HE'S GROWN
SO MUCH ALREADY & IT'S LOVELY
HAVING THE MEMORIES TO KEEP"

- ANDREA

WHAT TO EXPECT

IMAGE IDEAS

I always believe in communication being key & love to work with my couples & families to capture their story. If there are certain looks you love, bring photos or links to use as a reference (Pinterest is a great source of inspiration)!

PAYMENT

A 30% non-refundable booking fee is required in order to secure your date. The remaining 70% of your balance is due two weeks prior to your shoot.

WARDROBE

Wear something that makes you feel comfortable & confident! Neutrals, bold colors, and accessories photograph really well. Don't hesitate to ask for outfit recommendations.

SCHEDULING

Bump Photos are usually scheduled at 34-37 weeks of pregnancy to get that pregnancy glow. Cancellations and reschedules of shoots must be made via email or phone at least 48 hours prior to your session. Booking fees are non-refundable.

- First things first... we'll organise a video/telephone call to discuss the details; what you're looking for, what's important to you, what collection you're after etc. Feel free to ask any questions- I'm here to answer them!

- The newborn shoot is best to be booked before baby is 10 days old so that they are sleepy; however by 9 weeks or sitting you get a real chance at seeing babies personalities.

- About 2 weeks prior to the shoot, we'll confirm the shoot & discuss your ideas. I want your day to be as stress free as possible!

IF THERE'S A SPECIAL LOCATION YOU'D LIKE TO USE FOR YOUR SESSION, LET ME KNOW! I'M ALWAYS UP FOR CREATIVE IDEAS.
